Abstract

The Government of Gujarat organizes the biennial Vibrant Gujarat Summit to promote international investment, economic development and global collaboration. Initiated in 2003, the summit has evolved into one of the world's leading business platforms, bringing together global leaders, policymakers, industry experts and international organizations. It serves as a key forum for dialogue on trade, innovation, infrastructure and sustainability. Over the years, Vibrant Gujarat has played a crucial role in positioning Gujarat as a preferred investment destination, boosting industrial growth and strengthening India's economic ties with the global community. This essay examines the summit's origin, objectives, outcomes and its wider economic and industrial impact. By facilitating large-scale partnerships and policy dialogue, the summit has significantly contributed to the transformation of Gujarat's economic landscape and supported India's broader vision of becoming a global economic powerhouse. It highlights how strategic state-led initiatives can drive development and attract sustained international engagement.

Keywords: Economic Growth, Global Partnerships, Vibrant Gujarat, Business Summit, Investment, International Trade
